

NAOMI REICH

A Century of Art - A Retrospective

Art exhibit opening reception on
Thursday, October 8, 3:30–5:00 p.m.

Join us for a truly extraordinary program: an evening celebrating the art and life of Naomi Reich, who didn't pick up a paintbrush until age sixty-four and is still painting today, at 105.

Working entirely from imagination, Reich has built a stunning body of work, from landscapes to Jewish-themed paintings, that she says flows "out of my mind and my brushes."

Come hear her story, see her art, and be inspired by her thesis: "Anybody and everybody can paint although many people think that they can't." This is a rare chance to meet a woman whose life proves it's never too late to begin.
